ARCHIVE EPISODE #1157

Will You Give Yourself To Him?

Discussion Questions

1. Have you surrendered your right to yourself? Are you living in full agreement with the Father, or are your own desires directing your decisions? What areas of your life still need to be yielded to Him?

2. Are you trusting in the goodness of man or the life of Christ? Are you allowing self-reliance or admiration for spiritual leaders to replace your dependence upon the Father? How is the Cross exposing these things within you?

3. Are you living as Jesus lived? Are your thoughts, motivations, and actions coming into agreement with the Father? How can you grow in oneness with Him and remain faithful to His purposes?
