ARCHIVE EPISODE #1159

Bold!

Discussion Questions

1. Are you living in true or false humility? Are you still trying to pay for what Christ has already paid for? Have you allowed His finished work to be enough?

2. Where does your confidence come from? Is your boldness rooted in self or in the life of Christ? How do you respond to the accusations of the enemy?

3. Are you ready to rise in authentic boldness? What is Holy Spirit exposing within you? Are you willing to live fully in the reality of who you are in Christ?
