## Discussion Questions

1. Nancy quoted, "If I can not be restrained, I cannot be reformed." Discuss this statement with your small group.
2. Bitterness blinds us from seeing ways other than our own. Allow Holy Spirit to show you where bitterness may be blinding your vision.
3. Are you ready to yield to God's way? Or are there issues with authority that are stopping you from entering into His holy best? Pause and yield to Him.
