Discussion Questions

1. Nancy asks the question, “Will you give God time and cooperation to be able to bring maturity to His life?” Pause and take time to listen to the Father. Write down what He shows you.

2. To share in His Life means we are a representation of Him, not do-gooders. As we enter the vault, what are some hindrances that we may need to get over or some things that need to die so that we enter into His Life?
