## Discussion Questions

1. Does your contact with others create a hunger for Him?
2. Watchman Nee states, “We are speaking here of what we are, not of what we do or what we preach.” Let that sink in. Share your thoughts.
3. To be a fragrance of God to others, we must first be broken at His feet. Sit at Jesus’s feet and let Holy Spirit speak to you.
4. As Christ matures in us, we must yield ourselves to Him. Can he have all of you? Are you still holding on to your right to yourself?
5. How can you be a fragrance to others today?
