# Courage of Conviction Part 4

## Discussion Questions

- 1. Stop and reflect: How are you being conformed to the current world system? Have you stepped off the path of oneness with Him and started to use ways and means to self-aggrandize, or promote yourself?**
  
- 2. Do you have the courage of conviction to release what the Father is saying, even if no one is listening?**
  
- 3. Metanoia goes deep. Spend time with the Father and let Him speak to you.**
