Discussion Questions

- 1. As Nancy mentioned in this episode, it is easy to veer off into self-focus. Take time for a reality check. Who is leading you? Where do your loyalties lie?**

- 2. Reflect on Luke 11:52 in the Amplified Classic. Are you a pharisee leader who takes away the key of knowledge? Have you prevented those who are entering?**

- 3. Take time to drink from His fountain. Enter in for yourself so that you can open doors for others.**
