Discussion Questions

1. Are you identified with the need of people first? Or the desires of the Father? Think on these things.

2. As a new man, my desires are His desires. My thoughts are His thoughts, and my ways are His ways. How are you adapting to Him daily because of what He is doing in you?

3. Who are you identifying with? Is it Him, or are you identifying with self? Reflect on ways you may be identifying with self. Let the Father speak to you.
