## Discussion Questions

1. Will you make the decisions necessary to allow Him to raise you up to be the caliber of son that the hour in which we live is calling for?
2. Will you be content in every situation?
3. Will you give him your “Yes!” even when you don't know what is behind the next door?
4. Will you give Him permission to do in you now what is needed to be done so that you are prepared for whatever is behind the next door?
