# True Leaders | His Leaders 9.0

## Discussion Questions

1. What is the Father saying to you about being a load-bearing, non-conformist son?
  
2. How do you handle criticism? Do you accept opposition to your viewpoint or decision without taking offense?
  
3. Are you willing to submit to the will of the Father who is revealing the state of your self-life and childish ways? Sit with the Father and allow Him to speak to you.
