# The Beauty of Judgment Part 2

## Discussion Questions

- 1. In what ways are you just throwing out a message? How is God calling you to walk with people as they come under the judgment of God so that they can come into the oneness of God and live with Him?**
  
- 2. What is He speaking to you about being a Christian 'in name only' versus pursuing deep oneness with Christ?**
  
- 3. What is the Father saying to you about your flesh? Come into agreement with Him. Let Him remove the hindrances between you and He moving as one.**
