The Hidden Symphony of Preparation

Discussion Questions

1. He has chosen us out in Christ, in love, but will we choose Him back? How can we mature as 'reciprocal corporate sons'?

2. Discuss the idea of "disciplines of a disciple." In what ways can disciplines become a god? What disciplines is He calling you to?

3. How are you participating in the 'hidden symphony of preparation'? Step into His practice room and go deeper with Him. Write down what He says to you.
