Sharp in the Forward Stride

Discussion Questions

1. How do you relate to the struggle of articulating what God is doing in your life?
2. How does the concept of God dealing with us according to our sonship rather than our sin impact your understanding of the Father?
3. Can you say, 'I freely choose God, and whether I live or die, if He uses me or doesn't use me, I am His.'? Sit with Him and let Him speak to you.
4. Nancy concludes with a poignant question, "Will I yield my right to myself to Him?" Will you?
