

EPISODE POV 2.0

Discussion Questions

1. What situation in your life right now needs to be reinterpreted from the Father's point of view instead of your own or the enemy's?
2. How does the idea of being "born of the eternal" affect the way you face your current reality?
3. What does it look like for you to sit with the Father and let Him show you the past, present, and future from His vantage point?
