EPISODE #980

#stopcreatureworship

Discussion Questions

1. In what ways have I expected others to meet needs that only God was meant to fulfill? (Consider relationships, achievements, family roles, etc.)

2. Do I view the cross as a rescue from sin, or also as a tool to cut away false loves and wrong sources in my life?

3. How might I be romanticising human love or identity narratives that stand in opposition to the love and order of God?
