EPISODE #1117

Summer Reading Series

Discussion Questions

1. Where have you been trying to understand yourself through introspection instead of allowing Holy Spirit and the Word to bring His light?

2. Are there areas of natural strength, self-confidence, or independence that the Father may be illuminating so that you can live in greater dependence upon Him?

3. What would change in your daily life if you truly lived as Jesus did—seeking nothing from yourself, but allowing the Father to be the origin and source of all you do?
