EPISODE #1150

# Are You Faithful to God or the World?

## Discussion Questions

**1. Are you living in exclusive allegiance to the Father, or have you developed divided loyalties? When you examine your decisions, desires, relationships, and priorities, are they governed by your oneness with Christ or by the approval and expectations of the world? Where might Holy Spirit be exposing attachments that compete with your devotion to Him?**

**2. Are you allowing the world's definition of goodness and love to replace the righteousness of Christ? How do you distinguish between human compassion and the love that flows from the Father's heart? Are there areas where the desire to be accepted, agreeable, or relevant has caused you to compromise what the Father has spoken?**

**3. Are you allowing the Cross to confront spiritual unfaithfulness within you? James 4 describes friendship with the world as spiritual adultery. What does this reveal about the seriousness of our covenant relationship with Christ? How can you cooperate with Holy Spirit as He exposes unresolved desires, purifies your allegiance, and establishes you in genuine oneness with the Father?**
